Since he took Hood's Sarsaparilla, and I think Hood's Sarsaparilla is the Greatest Medicine on Earth. My dog had Catarrh in the head so badly he lost his hearing, and medical treatment failed to help him. Then I was advised to try Hood's Sarsaparilla, and before he had taken all of one bottle, he began to break out with boils all over his back and neck. They were not very large, but they discharged freely. Slowly his hearing began to come back and by the time the third bottle had been taken, the

boils had all disappeared and his skin was as clear as a baby's where before it was dull and yellow and dark under the eyes. He can now hear well and is taking his fifth bottle.

The amount of money spent annually by Ohio for support of her charitable institutions is enormous.

The State appropriates about \$1,000,000 for insane asylums; \$250,000 for the deaf and dumb, blind and imbecile asylums; \$375,000 for penal and reformatory institutions, amounting in all to over \$1,600,000. Besides this the infirmaries of the State cost the people about \$775,000; the Children's Homes \$250,000; jails \$150,000, and out door relief of the poor about \$500,000 per year.

It is therefore of the highest importance that the trustees, superintendents and other people who have the expenditure of these vast sums, all raised by taxation, should adopt the best methods and keep abreast of the times for generally the latest and best ways are the most economical. In order that this may be accomplished it is evident that the almoners of this great fund must "be up to date" and must have opportunities for discussion and comparing experience on all the various phases of management of these institutions.

For this purpose the Ohio State Conference of Charities and Correction was organized and it will hold its fourth Annual Conference at Kenton, Ohio, October 9th, 10th, 11th and 12th, 1894.

All Boards of County Visitors, Children's Homes, Infirmarys and other public and private institutions are expected to send delegates, also Associated Charities and all others in the State who are interested in any kind of benevolent penal or charitable work are invited to attend. Can any such afford to be absent?
